

## **God is in Control**

***“Great is our Lord, and abundant in power; his understanding is beyond measure.” (Psalm 147:5)***

Remembering back to when my sons were little and constantly needing my care, reminds me of how we are like babies. We constantly are going to God for help and aid. We are helpless without God. He created us and cares for us each and every day.

David realized this in verse 5, “Great is our Lord, and abundant in power; his understanding is beyond measure.” Little things show that God is in control and provides for our every need. An example is a check that comes in the mail that we didn’t expect when we really need it. Sometimes we are too busy to realize that that was a gift from God.

Jesus reassures his disciples that all needs are provided for in Luke 12:2, “Therefore I tell you, do not be anxious about your life, what you shall eat, nor about your body, what you shall put on.” It is human nature to worry about things. That’s sin. Jesus came to take our burdens to the cross. His death was the

ultimate payment. Remember to “Cast all your anxiety on him, he cares about you!” (1 Peter 5:7)  
Thanks be to God for his amazing love and care!

***Dear Jesus, thank you for your love, care, and always providing for my needs. You are our amazing Lord. Amen.***
